

Mission Moldova

URGENT APPEAL 2022

Moldova is the poorest country in Europe with a population of four million. For over 20 years Mission Moldova has sent Humanitarian Aid to them.

We have never asked for monies before but the present situation in Moldova, with many people arriving from Ukraine, this is where your help is needed.

We are sending money for food.

The cost for lorries is escalating, at the moment an Articulated lorry is £4,300 each trip, we have one going A.S.A.P. (we have to get the paperwork first) This guarantees it goes through the right borders!

Some refugees will pass through Moldova, some will stay longer, they are all in desperate need.

Thank you for reading this plea.

May we point out WE HAVE NO FACE BOOK PAGE, other similar names have no connection to our charity, details below. Secretary Jean Anderson-Archbold.
